Dear Lou:

I recently received the enclosed letter from Chairman Hodsoll at the Arts Endowment in regard to the Foundation's current application to the Endowment's Design Arts Program. I thought you should have a copy of it for your own records.

It appears that the Design Demonstration Advisory Panel will meet sometime in March to consider this proposal with final action coming at the May meeting of the National Council on the Arts.

With warm regards,

Ever sincerely,

Honorable Claiborne Pell

Dear Senator Pell:

Thank you for your eloquent letter of January 10, 1983, on behalf of the Providence Foundation, which has applied to the National Endowment for the Arts for assistance under the Design Demonstration category of the Design Arts Program.

We certainly appreciate receiving your very supportive comments on behalf of the Foundation's proposal, and I have shared a copy of your letter with the Endowment's Design Arts Program staff, who are currently reviewing the Foundation's application. In March, the Foundation's application will be considered by the Design Demonstration Advisory Panel, whose recommendations will be brought before the May meeting of the National Council on the Arts. The Providence Foundation will be notified of the decision reached on their request shortly thereafter.

You may be assured that the Foundation's application is receiving very careful attention.

Best wishes,

Sincerely,

F. S. M. Hodso11  
Chairman
